

EAST WEST MANUFACTURING

CLEANER, SMARTER, SAFER, HEALTHIER

Who We Are

East West is an integrated design, manufacturing, and distribution services partner for original equipment manufacturers and distributors throughout North America and Asia. When you join our family, you will have a significant impact on the health and well-being of people across the globe. Whether your background is in life sciences, finance, IT, engineering, business, or another area, your skills will play an important role in the work we perform. In return, we'll help you build a career that you can feel passionate about.

What We Build
