IMPORTANT SAFETY/SERVICE POLICIES

Please read carefully before visiting our facility.

- A. Customers are **strictly prohibited** from removing parts which could possibly cause a release or spill of any fluid (antifreeze, fuel, oil, battery acid, etc.) or compressed gas (Freon, shock absorber, etc.) regardless of his/her past experience and certifications. Parts listed with a ⊗ symbol are identified as items which only Auto Recovery Center staff can remove. (Please fill out a work order at the Auto Recovery Center office to have these items removed.)
- B. Failure to comply will result in removal from the facility and a **\$55.00 HAZMAT fee** under mechanic or manager's discretion.
- C. All parts are available on a "first come, first serve" basis.
- D. Items which are typically used to abuse the refund process will be specially marked by the staff prior to purchase. *Effective 14 February, 2001.* No items will be accepted for refund without this marking.
- E. Aftermarket parts will be sold at current market value. These prices are set by management and are strictly non-negotiable. Some of these items are listed. However, the determination as to whether or not an item falls into this category is strictly a management decision.
- F. At no time will any customer be authorized in the processing yard area of the Auto Recovery Center without a personal escort by the Auto Recovery staff.

Thank you for visiting the Auto Recovery Center!
