

# Accessing Higher Education

The 2-Day Accessing Higher Education Workshop is designed to guide you through a variety of decisions involved in choosing a career, degree program, college institution, as well as how to fund your education using the GI Bill, FAFSA, scholarships and more. The workshop will conclude on day two with the college admission process. After completing this course, you will be prepared to develop a customized plan for a successful transition to a higher education institution.
