

Career Exploration and Planning Track (CEPT)

ADDRESSING THE NEEDS OF INDIVIDUAL SERVICE MEMBERS
AS THEY TRANSITION TO THEIR NEXT CAREER.

The **CAREER EXPLORATION AND PLANNING TRACK**, formerly known as Career Technical Training Track, the workshop offers a unique opportunity to identify skills, increase awareness of training and credentialing programs, and develop an action plan to achieve career goals.

Service Members and spouses who attend the 2-day Department of Labor Career Exploration and Planning Track (CEPT) workshop will complete personalized career development assessments of occupational interest, aptitudes, and work values. These assessments will present workshop participants with a variety of tailored jobs recommendations aligned with their interest and aptitudes, some of which are classified as “high demand” or “high growth” occupations.

2019 Dates

January 14-15

April 1-2

July 22-23

October 7-8

Camp Foster Only

Participants will learn to narrow their career focus by establishing achievable career goals and development strategies.

Workshop facilitators will guide participants through a variety of career considerations including labor market projections, education, apprenticeships, certification, and licensure requirements.
