

# SKILLBRIDGE AT LOWE'S

Lowe's is proud to be a national partner of the Department of Defense SkillBridge Program, designed to help transitioning service members lay the groundwork for a successful civilian career. DoD SkillBridge Fellowships give participants the chance to explore their career path with Lowe's while receiving specialized training, guided mentorship, and more during their last 180 days of service.

Lowe's currently offers DoD SkillBridge fellowships in Supply Chain Management, Store Management, and Corporate Technology.

Visit [corporate.lowes.com/careers/military](https://corporate.lowes.com/careers/military) and [dodskillbridge.usalearning.gov](https://dodskillbridge.usalearning.gov) to learn more about the program and the opportunities waiting for you at Lowe's.

## PROGRAM REQUIREMENTS

- » Must have 180 days of service or fewer remaining until date of separation, and at least 180 continuous days of active service
- » Must obtain approval from your unit commander, and
- » Agree that participation in DoD SkillBridge can be terminated at any time by the Service if mission requirements dictate.

## OUR MILITARY COMMITMENT

Throughout Lowe's, we rely on the leadership of our military associates to guide us forward and strengthen our commitment to service. Through our partnerships with DoD SkillBridge, USO Pathfinder, Military.com, and more, Lowe's is dedicated to providing every military associate with the resources and growth opportunities needed to thrive in their career.

---

## STORE FELLOWSHIP

Every Lowe's store strives for one goal: to provide the best possible service and products to every customer and community we serve. Your training as an Assistant Store Manager will introduce you to how Lowe's stores run at every level — and how your leadership can guide your team to success.

- » Follow a weekly development plan and the Lowe's University Assistant Store Manager Curriculum
- » Work side-by-side with store management at a Fortune 50 retailer and gain a wide range of hands-on and authentic professional experience

## SUPPLY CHAIN FELLOWSHIP

Across the US, Lowe's Distribution Centers and cross-dock terminals bring a boots-on-the-ground mentality to our vast retail network. As a Supply Chain Fellow, you'll have ample opportunity to put your team mindset and logistical expertise to work.

- » Train as an Operations Supervisor in a Lowe's Distribution Center, with specialized training, development, and learning plans
- » Learn the ins and outs of Supply Chain with mentorship from the Operations Manager and Operation Supervisors

## TECHNOLOGY FELLOWSHIP

As a Technology fellow with Lowe's Corporate, you'll drive innovation and make your mark on the future of retail technology. If you're ready to turn big ideas into action and work on a highly collaborative, world-class team, Lowe's Tech is the place for you.

- » Fellows work on teams such as Information Security, Infrastructure and Ops, Product Management, and Data Analytics, with mentorship from manager and technology peers
- » Weekly development meetings and specialized training
