

## Help Us Build The Future

Amazon Web Services is actively recruiting for our  
Cleared Data Center Programs.

If you possess an active TS clearance and exemplify Amazon's Leadership Principles, then this may be the opportunity you've been seeking. If accepted, participants will be provided formalized IT and on the job training towards a career as Data Center and Engineering Operation Technicians. Programs start in March and continue throughout 2021.

Classroom training will be virtual.  
On the job training will be held near Umatilla, OR and Herndon, VA.
