

The Warrior-Scholar Project is a free, one- to two-week long intensive college prep course for enlisted service members and veterans interested in pursuing higher education. WSP is designed to enable a smooth transition from the military to college through academic skill building, cultural transition workshops, and immersion at top universities across the country.

2018 IMPACT:

99% of Warrior-Scholar Project participants are more confident that they will do well in higher education.

99% of Warrior-Scholar Project participants would recommend the Warrior-Scholar Project to other veterans and service members.

**BOOTCAMP PREPARED YOU
FOR THE MILITARY.**

**WE PREPARE YOU
FOR COLLEGE.**

WARRIOR-SCHOLAR.ORG

93% Warrior-Scholar Project participants feel WSP helped them understand how to utilize their military experience in order to be a valuable addition to the college classroom.

99% Warrior-Scholar Project participants feel more confident to pursue a Bachelor's degree after completing WSP.

97% Warrior-Scholar Project participants are more comfortable making the transition from the military to the civilian, academic environment.

98% Warrior-Scholar Project participants feel more prepared for the academic rigor of college after completing WSP.

98% Warrior-Scholar Project participants have gained a better understanding of the types of "tactical" skills that they will need to succeed in college (eg. analytic reading, time management, using office hours, seminar discussion skills).

WHAT TO EXPECT AT WSP

- Experience campus life at a top university for one to two weeks (room and board is covered **free of charge!**)
- Two week courses include an extra week of instruction focused on foundational physics concepts essential for STEM majors.
- Receive a crash course in college level writing, academic reading, and seminar discussion skills
- Attend classes led by first-class professors from WSP's host institutions (including **Yale, Notre Dame, Harvard, Texas A&M, MIT and more**)
- Gain the confidence needed to jumpstart your college degree
