GENTEXT/REMARKS/1. Purpose. This MARADMIN updates approval
authority for waivers to the travel restrictions imposed by ref (a).

2. Background. Ref (a) issued travel restriction guidance, and
established approval authority for waivers to the established travel
restrictions. Per paragraph 4.c. of ref (b), authority to grant
waivers to travel restrictions, as set forth in ref (a), was granted
to the first GO/SES in a traveler's chain of command. Ref (c)
delegated approval authority for waivers, as set forth in ref (a),
to the CMC; for personnel under his jurisdiction; these delegations
remain in effect.

3. Update.

3.a. Per ref (d), approval authority for waivers to the travel
restrictions imposed by ref (a), is delegated to a level no lower
than an appropriate officer in the grade of O-6 or civilian
equivalent.

3.b. Per ref (d), personnel traveling on government-funded travel
authorizations will comply with applicable force health protection
guidance.

4. This MARADMIN applies to the Total Force.
