

In accordance with current guidance concerning Covid-19 and HPCON statuses.

The Marine Corps Birthday Ball Point of Contact Meeting, scheduled for 25 August, is cancelled.

All unit ball reservations, previously scheduled, have been cancelled.

If an MCCA facility is the desired location for a unit Cake Cutting Ceremony or other function, please have them coordinate directly with the facility manager of that location. Please note that for these ceremonies MCCA will not provide sit down dining or meal service.

The ordering and payment of the cake is a unit responsibility. You can coordinate with your MCCA facility manager or use AAFES to order a sheet cake.

If you choose to use AAFES, the POC is Ms. Naka at naka@aafes.com and cc okinawabakery@aafes.com.

*Please note the 3 tier decorative cakes typically used for ceremonies are not available

Ball/ceremony programs are not being produced and will not be available.

Free transportation to and from your event will not be provided. If MCCA transportation is desired it can be reserved as a chartered service by contacting the MCCA Motor Transportation Branch at 645-7516 or via email at transportationrequest@okinawa.usmc-mcca.org. A 10% discount will be provided with the use of QRP or unit funds.

Marine Corps Ball Mementos will be available for purchase at a cost of \$20 each. The purchase of the mementos can be coordinated directly with the MCCA Club Managers. Starting 1 November 2020 the mementos will be available for purchase at MCCA clubs at the same price. No additional mementos will be ordered after the depletion of the stock.

Separate from Marine Corps Birthday cake cutting ceremonies, units can coordinate with MCCA for a sit down meal, socially distanced and within current HPCON guidelines.

Coordinate directly with the Facility Manager of the club of your choice if desired. The sit down meal should not include any portion of the Marine Corps Ball ceremony. The number of authorized patrons will be driven by the size of the location. The cost of the meal will be borne by the individual and will be dependent on the meal choice.
