

Your Home For the Holidays

ABOUT

The Your Home for the Holidays program was created by MCCS to show appreciation for our military service members and their families during the holiday season. Your Home for the Holidays consists of a myriad of offerings ranging from sports tournaments and free events and activities to holiday-themed events providing free food, soft drinks, giveaways, and entertainment. Events include the very popular Winter Wonderland. Winter Wonderland is an event specifically devoted to our core customer base, the active duty military and family members. Your Home for the Holidays is a series of events and activities throughout the holiday period with the intention of informing the military community that MCCS Okinawa is their "home away from home" during the holidays.
